Hello Friends!

November 2023

While I was out walking last month, and for the first time in my life, I thought, “Could this be the beginning of the end?” Since I came to faith 46 years ago, I have always heard about the end times. The prophets predict the Day of the Lord. The Messiah gives us a description of how the last days will unfold. And in his book, Revelation, John lays out the frightening details of the end.

Today, more than ever, all of the puzzle pieces are in place: the wars, the rumors of war, the earthquakes, famines, and brothers hating brothers. But there is another factor that is more obvious than ever: the hatred of God’s Chosen People: The Jewish People.

It doesn’t take much research to see the frightening climb in antisemitism both here in the United States and around the world. We see the protests, the anger, the hatred, and the violence. The very thin veneer has been ripped off. The secrets of people’s hearts have been revealed. We clearly see the hand of the Evil One in action. The one who has hated God from the beginning and hates His people encourages and inflames the actions of unbelievers.

This concerns every Jewish person, no matter where they live. It’s not right to say that they’re frightened, but they are uneasy at the quick change of events. This same uneasiness has run throughout the Jewish people since the beginning of time. Look back at history: the ghettos of the Middle Ages, the blood libel charge, the Pogroms, and the Holocaust, to name a few incidents.

We see a world shocked at the demonic brutality that took place in Israel over one month ago, now condemning Israel as the aggressor. Cries for a ceasefire are growing. Yet, we are not hearing a worldwide condemnation of Hamas. We don’t hear a demand for the return of the hostages who remain in Gaza. Instead, we see the Evil One rejoicing over the suffering of God’s People and the continuation of his plan for the destruction of the Jewish People from the time God set Abraham apart, beginning the family line that would eventually produce the Messiah.

Years ago, on one of our Israel tours, we visited Yad Vashem, the Holocaust Museum and memorial in Israel. As our people were finishing their self-guided tour, I spoke with our bus driver, Avi. We talked about the constant attacks on Israel by Hezbollah and Hamas. He told me there is always a pattern to their method. They spend several years building up a stockpile, and then when their rockets run out, they call out to the international community for a ceasefire. When the world responds to that demand, both Hezbollah and Hamas use the peace agreement to rebuild their supply of rockets, and it all starts again.

What are we to do as followers of the Jewish Messiah?

- Pray for the salvation of the Jewish and Palestinian people. May God use this horrible situation to bring people to Himself.
- Pray for the return of the hostages.
- Pray for the destruction of both Hezbollah and Hamas. These two terror organizations are responsible for untold suffering.
- Give to help the people of Israel.

CJF Ministries has established a special fund of donations to distribute in Israel: Helping Hands Relief Fund. We are purchasing care packages for reservists who have been called into active duty. We are helping displaced people who need food and shelter. We will help in dealing with the widows and orphans from this vicious, merciless attack. It's our goal to assist many people who have lost a family member in the military.

Afterward, we also want to help those who need counseling in dealing with the trauma. Of course, we cannot help everyone, but with your donations, we will assist as many as possible. 100% of your gift donated to this fund will be dispersed to those in need.

CJF Ministries is committed to the nation and people of Israel. We will continue to stand with them in good times and bad times.

*Pray for the peace of Jerusalem:
 "May they prosper who love you.
 Peace be within your walls,
 Prosperity within your palaces."
 For the sake of my brethren and companions,
 I will now say, "Peace be within you."
 Because of the house of the Lord our God
 I will seek your good.
 (Psalm 122:6-9)*
