Personal Note

Shalom from Las Vegas! We are so grateful for the prayers and generous gifts of our supporters, which enable us to stay in the field, working for the Lord. *Todah!* Your prayers are working. We visited Rich's mother, Clara, in Denver, where she was relocated to an independent living situation. But it was too difficult for her, so we had to move her to assisted living, and she is doing great! Praise the Lord. It is so important to take care of our parents in their later years of life. During our time at the old facility, we led three people to the Lord! We are looking forward to our next visit to the new facility to see who will come to the Lord there!

Beth Yeshua Services

The Lord has blessed our little congregation as we rebuild. We know He is the Builder, and we are just following Him. We are in the middle of celebrating the fall feasts — Yom Teruah (Rosh Hashanah: the Feast of Trumpets), Yom Kippur (Day of Atonement), and Sukkot (the Feast of Tabernacles). The picture shows Rich blowing the shofar on Yom Teruah. The fulfillment of this feast is the Rapture, whenever it occurs! We had good attendance for the High Holy Days. Oanh led a youngster to the Lord in her Shabbat school class just before the feasts. We also celebrated Yom Kippur by fasting and praying for the salvation of the Jewish people all over the world. They desperately need to hear the Good News message of Yeshua! We especially prayed for the salvation and the release of all the hostages. It certainly looks like Trump is now putting an end to

the war, and they will be released soon. We are hoping and praying that this will actually happen now. We will be celebrating Sukkot this month, so we'll write about that next time. We have a special prayer request for you all. Please pray for "Anna" and "Rebekah" — two unsaved Jewish ladies who are attending our weekly services. They have heard the Good News a few times and are considering Yeshua.

Camp Shoshanah

We attended Camp Shoshanah in upper New York state. Rich taught a spiritual life class to the adults and a youth class. It is a blessing to be able to teach the Jewish roots to both Jewish and Gentile Christians who greatly desire to learn about them! We were able to take our mini-poodle, Angel, with us, and she was a big hit with everyone. She helps us evangelize wherever we go, as well! We made a big impact on the camp with our teaching, but Oanh also helped a few people with her physical therapy background. There are always a few people who get hurt and need some help. Please also pray for "David," an unsaved Jewish young man we met at camp many years ago. He attends for a few weeks during the time we are there, and we get to share more Yeshua with him. He is greatly loved by all at the camp, and we are all trying to win him to the Lord with love. He is studying the Hebrew Scriptures alongside Arnold Fruchtenbaum's commentaries. Please pray for his salvation! Also, we met "Chava," a Jewish lady who recently received Yeshua as her Messiah, Lord, and Savior. She lives in

October 2025

a Haredi community on the East Coast. Haredi is an Orthodox Jewish community characterized by a strict adherence to Jewish law and complete rejection of modern secular culture. If the Haredi find out she is a believer in Jesus, then they will quickly kick her out of their community. She would lose everything in life! She had to come to the camp in secrecy. It was a joy to see her flourish among the believers! Please pray for the Lord's protection and growth upon her.

UNLV Campus Outreach

The Lord has greatly blessed our outreach on campus this semester. We lost all our long-time volunteers this semester, but the Lord brought other volunteers who love to share the Good News message of Jesus. So far this semester, we have led 30 students to the Lord! The Lord is definitely calling these students unto Him and using our new group to do it. Recently, our friends from Israel, Shlomy and Miriam, came to Las Vegas. They love coming to campus and sharing Jesus because there is not as much spiritual or physical attack as there is in Israel. We can freely and publicly proclaim Jesus and be protected. In Israel, the situation is quite different. If the Orthodox find out a person is a believer, then life can become very difficult. The top picture is Rich leading the very first person he gave the Gospel to this semester, and he received Jesus right there. You can see how excited and happy he was! The student pictured with Oanh also received Jesus as Lord and Savior. We gave him a New Testament. Oanh has led more than 20 students to the Lord this semester. Please pray that God will continue to bless our ministry with revival!

A Newer Vehicle

Please pray for us as we are looking for a newer vehicle. Ours are getting old. We desire a newer SUV or pickup truck (or any reliable vehicle). We are seeking someone who would like to donate to our cause or sell us a vehicle at a fair price. Please call or email (our info is at the top of the first page). *Today!*

Salvation Update

Since our last issue of *Rich's Reporter*, **35** people received Jesus as their Lord and Savior through our ministry. In 25 years of ministry in Las Vegas as CJFM missionaries, we have led a total of **1,809** souls (including **92** Jewish people) to the Lord. We praise the Lord for using us to His Glory!

Please Pray for . . .

- More churches and individuals to partner with us.
- God to continue to open more doors for our outreaches: *Beth Yeshua*, UNLV, the malls, the parks, speaking in churches, referrals, and the dance team in convalescent homes.
- God to open the door for our own place to worship in the Summerlin, Nevada, area.

Thanks from the Hills

You are greatly appreciated! Without your prayers and financial support, we would be unable to continue as missionaries to the 80,000 Jewish people living in Las Vegas. We praise God for you, and thank you for your love and commitment.

If our ministry has blessed you, please consider joining us as consistent financial partners. We need your help! Thank you, and may the Lord *continue* to bless you with His promise: *I will bless those who bless you* (Gen. 12:3).

As the Lord leads, please use the enclosed envelope and send all future financial gifts *preferenced* for **Richard and Oanh Hill** to:
