Personal Note

Shalom from Las Vegas! With grieving hearts for Israel, the Jewish people, and the Palestinians, we bring you this report. As you already know, the most unspeakable atrocities have occurred in the Land of Israel perpetrated by Hamas against the innocent of the Jewish people. This has started the war between Israel and Hamas in the Gaza Strip. Other countries like Lebanon might join in, too. Israel has no choice but to attack this horrendous evil that has reminded the world of the Hitler Nazi regime from WWII. If she does not destroy the evil, then it will rise up again in the future. However, we all know how this anti-semitism will end in the future (if you don't, then please get my book, *Israel in Prophecy*, from bethyeshualv.org). If you want more history and information on the "whys" of this war, check out my latest teaching on "Israel at War" on the same website.

SHLOMY'S NEW BOOK

Although we are grieving for all the lost, the hostages, and their families, we still need to pray for the peace of Jerusalem and the Land of Israel. If you'd like to help financially, you can give to CJFM's new "Helping Hands Relief Fund" at cjfm.org to help those in Israel. Obviously, we canceled our Israel Tour, "Walk Where Jesus Walked." We're praying about a future date after the war is over. Despite all this *mishegas*, the Lord continues to bless our ministry. So, let's get to it!

Shlomy & Miriam

Shlomy and Miriam are Israeli-Jewish missionaries and good friends. If you can believe it, they left Israel two days before Hamas brutally attacked Israel. They came to America to teach and preach in churches on a speaking tour. At Beth Yeshua, they shared about the

November 2023

war and, of course, talked about their ministry. They have a new book that Shlomy edited and translated into Hebrew, which is why its cover is in Hebrew! He took Rich's two chapters on the Ezekiel War and an added chapter on the Gospel and translated everything into Hebrew so the Jewish people could see how this new war could possibly turn into the Ezekiel War. They are very excited to share it with the Jewish people when they get back to Israel. The

whole point is to use this book as an evangelistic tool! The title of the book is *Did You Know?* And most of the Jewish people do not have a clue that the Ezekiel War could start any day now! Please pray for the Lord's blessing on this book, many Jewish salvations, and their efforts to get it out in Israel.

UNLV Outreach

Praise the Lord, we have had 24 salvations on campus so far this semester! And Oanh has led most of those to the Lord! Our group is so excited to preach the Gospel on campus because we are leading people to the Lord, encouraging Christians to get activated, and passing out many Bibles. Rhonda Cromwick, our long-time volunteer, has created a "Free Bible" sign and purchases all the Bibles we give out free! We've shared God's Word with over 100 students so far! Every week, we give His Word out to interested students. It does not matter if they are saved or not. We'll share the Gospel with those who are not saved but still want a Bible. We are seeing an openness in the hearts of the students these past few years like we have never seen before on campus. Previously, they would argue about evolution, other religions, or the world's evils, but

now (and since the dreaded COVID shut down the world), these students are more apt to listen to the Good News of Yeshua! They are not arguing, and many have told us they see what's been happening to the world. So please pray for a great revival on campus and many true salvations that will change people's lives!

Jacob & Aidan

In our last "Rich's Reporter," we shared about Jacob, a Jewish man, getting saved towards the end of summer. He's homeless, and the congregation has helped him in his plight. But he has been growing in the Lord, and he got baptized! Aidan is a young man with a tortured background. But the Lord moved him back into his long-lost mother's life. He's been attending our services and hearing the truth of Yeshua! Finally, at our Yom Kippur service (how appropriate!), he placed his trust in Yeshua. Rich led him in the sinner's prayer, and he had his first communion with the congregation. Also, as you can see, he was baptized! Both Jacob and Aidan (and Rich) froze their *tuchus* off—but it was more than worth it to see their joyous faces coming out of the pool! Please pray for these young men and their walk with the Lord!

More Salvations

Oanh led a Spanish lady to the Lord while shopping at a store. Richard Cooper, a long-time volunteer, and Rich led a homeless Hispanic man to the Lord at a park. Our group spent about an hour at a Jewish store sharing the Gospel with three Israelis and two Gentiles and schmoozing with them, too. Rich led 14 people to the Lord at High Sierra Fellowship in the Reno, Nevada, area. Oanh led two elderly people at a rehab center where the Simcha Dancers danced and led worship.

Salvation Update

Since our last issue of *Rich's Reporter*, **47** people have received Jesus as their Lord and Savior through our ministry. In over 23 years of ministry in Las Vegas, as CJFM missionaries, we have led a total of **1,568** souls (including **86** Jewish people) to the Lord. We praise the Lord for using us to His Glory!

Prayer Requests

- More churches and individuals to partner with us.
- God to continue to open more doors for our outreaches: *Beth Yeshua*, UNLV, the malls, the parks, speaking in churches, referrals, and the dance team in convalescent homes.
- God to open the door for our own place to worship in the Summerlin, Nevada, area.

Thanks from the Hills

You are greatly appreciated! Without your prayers and financial support, we would be unable to continue as missionaries to the 80,000 Jewish people living in Las Vegas. We praise God for you and thank you for your love and commitment.

If our ministry has blessed you, please join us as consistent financial partners. We need your help! Thank you, and may the Lord *continue* to bless you with His promise: *I will bless those who bless you* (Gen. 12:3).

As the Lord leads, please use the enclosed envelope and send all future financial gifts *preferenced* for **Richard and Oanh Hill** to:
