August 2025

Personal Note

Shalom from Las Vegas! Thank you for your financial gifts and prayers. Praise the Lord, they are working. Recently, we moved Rich's mother, Clara, from New Jersey to Colorado. She is 91 years old and broke her ankle in two places, which landed her in a care facility that costs \$6,900/month. *Oy vey!* And that was the lowest cost in her area in New Jersey. She decided to move to a much better facility in Colorado, where Rich's sister lives. The picture shows us transporting Clara out of the New Jersey facility. We were all smiles, but it could have been a disaster getting her to Colorado. But the Lord answered our prayers, and she is doing well in her new home. Please pray for Clara as she adjusts.

The Colorado Move

As we were preparing Clara to move to Colorado, we noticed a group of elderly folks sitting in the waiting room. So we went over and started talking with them, sharing the Good News of Jesus with many of them, including **2** Jewish people! The next day, we went back to pick up Mom for her trek to Colorado, and Oanh led a Jewish lady and a Gentile veteran to the Lord! They were just sitting in the waiting room, ready to talk! We then decided to come back and visit them a few days later. We were able to share with new people, and **2** more received Jesus right there in the waiting room! What a great blessing! Please pray for their walk with the Lord.

MJAA Conference

After we were done in New Jersey, we drove to Harrisburg, Pennsylvania, to attend the MJAA Conference. It is the largest Messianic Jewish conference in the country. Rich taught the message "Israel in Prophecy." However, we ran into some trouble at the college hosting the event. They do not allow pets on campus, except service dogs. Well, Angel is a service dog in training and a federally approved emotional support animal (ESA) dog. She helps lower Oanh's blood pressure! Oh no, here we go again! We were just thrown out of our mother's timeshare in California for the same reason. It seems that the most liberal states in the country do not care for dogs! We've never had a problem in Las Vegas, which is interesting. So we lost our vacation in California, and we thought we were losing the MJAA Conference.

Well, not so fast! We spoke with the college director, and she granted us a one-day pass to teach the class at the conference. She was very nice and bent over backwards to help us. Rich taught a summary of his book, *Israel in Prophecy*, which was well received by about 100 people. The continuous war with Hamas was predicted by Asaph in Psalm 83. We need to pray for it to end, for the release of the hostages, and for their salvation!

Mary and Dillan

So the saga continues, we were then stuck in Harrisburg for a couple of days. What did we do? The next picture shows Oanh with Mary and Dillan at a

local restaurant. Rich noticed the boy was playing peek-a-boo with him behind the booth. This opened up a conversation with Mary, and we led her to the Lord right there in her booth! She said Jesus was exactly what she needed that day! She said she was a believer, but after further questioning, we found out she was not born again. Many folks think they are believers but are not truly born again. When you ask a few questions, this is easy to discern! Mary was ready to receive Jesus like a ripe fruit needs to be plucked. She was so grateful, being a single mom and dealing with her son Dillan's autism. He was a pleasure to play with, and it turned out he is very intelligent! Please pray for the Lord's blessings upon Mary and Dillan.

UNLV Outreach

We finished up the past school year with a total of **114** salvations, including **2** Jewish students who received Yeshua as their Messiah, Lord, and Savior. We had **75** total salvations the previous year and **55** the year before that! In the last three years, we've had more salvations than in our first 20 years on campus! Praise the Lord for what He's doing through us now!

Beth Yeshua

In our last *Rich's Reporter*, we mentioned our little congregation was under attack and needed prayer. Well, we just finished dealing with a split from two wolves in sheep's clothing. Most of the 11 people left Beth Yeshua in very bad ways, and we are now engaged in rebuilding the congregation. Please pray for Beth Yeshua and those who left would repent.

A Newer Vehicle

Please pray for us as we seek a newer vehicle, as our current ones are getting old. Our desire is for a newer SUV or pickup truck (or any reliable vehicle). We are seeking someone who would like to donate to our cause or sell us a vehicle at a reasonable price. Please call or email (our contact information is in the header). *Todah!*

Salvation Update

Since our last issue of *Rich's Reporter*, **27** people (including **1** Jewish person) received Jesus as their Lord and Savior through our ministry. In 25 years of ministry in Las Vegas as CJFM missionaries, we have led a total of **1,774** souls, including **92** Jewish people, to the Lord. We praise the Lord for using us to His Glory!

Please Pray

- We are looking to partner with more churches and individuals.
- God continues to open more doors for our outreaches: Beth Yeshua, UNLV, the malls, the parks, speaking in churches, referrals, and the dance team in convalescent homes.
- God to open the door for our own place to worship in the Summerlin, Nevada, area.

Thanks from the Hills

You are greatly appreciated! Without your prayers and financial support, we would be unable to continue as missionaries to the 80,000 Jewish people living in Las Vegas. We praise God for you and thank you for your love and commitment.

If our ministry has blessed you, please join us as consistent financial partners. We need your help! Thank you, and may the Lord continue to bless you with His promise: *I will bless those who bless you* (Gen. 12:3).

As the Lord leads, please use the enclosed envelope and send all future financial gifts *preferenced* for **Richard and Oanh Hill** to:
