SEPTEMBER 2020

GOD IS MOVING

New connections to Jewish people are taking place. I cannot share what is going on right now, but I can share a recent story.

A Jewish man received a copy of a DVD, *The Miracle of Israel*, narrated by Leonard Nimoy of Star Trek fame. After viewing the movie, he contacted the organization that produced the DVD, and they referred him to my son-in-law, who is a Messianic Rabbi in the greater Los Angeles area. My son-in-law, in turn, asked me to contact him. We met over the phone and talked every week. We completed my 11-week study, *Messiah in Jewish Scripture*. At its conclusion, he asked Yeshua to be the Lord of his life. I even had the privilege of meeting him twice when I was in Los Angeles. Once at a Messianic Jewish Congregation, and another time just before he passed away at a restaurant close to his home. His sister recently contacted me and invited me to a Zoom Bible study she and her husband are leading on Saturday afternoons. They want to reach out to their neighbors and share the Good News with them. I hope you will join me in praying for Shari and John, David's sister and brother-in-law. Pray that their outreach will reach many for the Kingdom. David's webpage still exists to this day. You can read more about him at <http://www.dannedesign.com/websites/thedesignerdr/>.

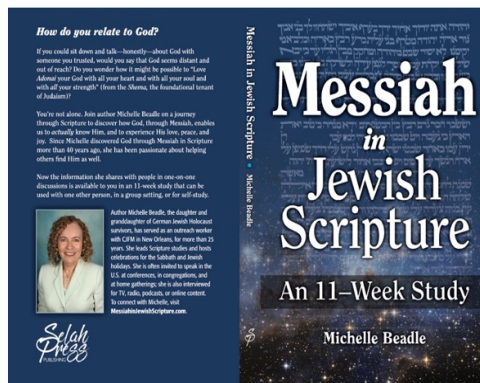

COVID-19 & ZOOM

As the COVID-19 pandemic began in the USA, I sought God in prayer. All of the Passover meetings that were scheduled months in advance were canceled. Our Community-Wide Model Seder was also canceled. However, our *chavurah* (fellowship) was able to celebrate

Passover over Zoom. We are looking forward to celebrating the High Holidays—Rosh Hashanah, Yom Kippur, and Sukkot—in the same manner. What a tremendous blessing it has been to be able to keep in touch using the latest technology. Our staff here in the United States and around the world have also been meeting weekly on Zoom, and we are using Zoom to continue our Bible studies and monthly meetings.

MESSIAH IN JEWISH SCRIPTURE

My new book, *Messiah in Jewish Scripture An 11-Week Study*, is finally available not only on Smile.Amazon.com, but also as an e-book on Kindle, and at Ingram Press for bookstore orders. You can order a copy at smile.amazon.com and designate your non-profit giving to CJF Ministries.

FUNDRAISING FOR OUR ANNUAL CJF MINISTRIES MODEL SEDER IN NEW ORLEANS

Although we are still unable to meet in person for the Jewish holidays, we hope life will change in 2021. We have scheduled our local annual Messiah in the Passover Model Seder for Sunday, March 7, 2021, from 4:30–6:00 pm at Lakeview Christian Center in New Orleans. The cost will be \$18.00 for early bird registration and \$20.00 for late registration. The amount we

charge per reservation does not cover the cost of honoraria for the musicians. **We need to raise an additional \$1,000 for this event.** If you can help us, please visit the Passover Project page on our web site, www.cjfm.org/michelleb, and designate your offering for our 2021 Passover Seder. Or you can call our office at (800) 926-5397 in San Antonio, Texas, and ask to speak with Della Miller. She can take your information over the phone. You can also mail in your offering to CJF Ministries, Attn: Della Miller, PO BOX 345, San Antonio, Texas 78292-0345, and preference your giving for our Messiah in the Passover Model Seder.

US POSTAL SERVICE

I have been contacted by several people who have mailed letters to my PO BOX. Rather than delivering the mail to my forwarding address, the mail has been returned to sender. I have contacted the Post Office numerous times in writing to correct this problem to no avail. Recently, someone contacted me from the Consumer Affairs Department in New Orleans. They were going to test the system by mailing a letter to my PO BOX to see if it would be forwarded to my address. This letter was forwarded to me, but I am leery of this fix. Thus, I would like to request that if you have any correspondence, you would like me to receive, please mail it to **Michelle Beadle, c/o Della Miller, CJF Ministries, PO BOX 345, San Antonio, Texas 78292-9988**. Della will then forward your mail to me.

ON THE HOME FRONT

My daughter just gave birth to her second son, named for my maternal grandfather Sallie Schaumberger. Sallie was a German substitute for Shlomo (Solomon), which was my grandfather's Hebrew name. I spent four weeks with her family in California, providing support while she recovers from her second C-Section. Her firstborn son started a second-grade remote learning program the day before I arrived, and I was there to make sure he stayed on task. It took three weeks to resolve all of the kinks related to online learning. I must say, I am very impressed with the education my grandson is receiving in public school. The emphasis is on reading, writing, and arithmetic with additional

emphasis on social studies. My daughter and her husband have a huge task ahead of them working, monitoring their son in school, and caring for a newborn. I hope you will join me in praying for them. That God will help them during this very busy time.
