Fall 2023

Hello Friends and Partners!

I hope you are doing well! God is doing a great work here in Columbus, Ohio.

The Ohio State University and Columbus State Community College

God has been doing incredible things in both of our campus outreaches at The Ohio State University and Columbus State Community College. We have spoken to nearly 400 students and have seen over 30 students make first-time commitments to the Lord. Here are some of our pictures with our team on both campuses.

Please pray for the following students who have made first-time commitments to the Lord. We desire that they grow and become lifelong disciples of our Lord. Please pray for Desarie, Ryan, David, Gabby, Sophia, Benita, Jenna, Markus, T.J., Jordan, Jack, Olivia, Devin, Haysoos, Marie, Alex, Ethan, Eden, Corey, Max, Antonio, Brady, and all the others that made these commitments.

Also, can you please pray that Ben, a Jewish student, comes to know his Messiah? I have asked for prayer for him in the past, and we have seen him again this term.

Obviously, there are so many other students we have spoken to. Please pray for the seeds that have been planted to take root and bear fruit.

New Staff Worker is a Blessing

In my last letter, I mentioned that we have a new full-time worker with us on campus. Jeremiah Smith has jumped right in and is doing a wonderful job. It is such a blessing to have someone with me every day who has such a servant's heart. We also have many others that join us in our outreaches.

I Don't Have Enough Faith to Be an Atheist

As I write this letter, we are about to have a large event at The Ohio State University. We are hosting Dr. Frank Turek on campus on October 19. These events are always well attended, and it is an excellent opportunity for students to hear the truth and plausibility of what we believe in a large public setting.

Will you partner with us?

God is doing amazing things at both The Ohio State University and Columbus State Community College, which have a combined total of 100,000 students. The need for these ministries on both campuses is greater than ever. If you want to partner with us on a monthly basis, please go to our online link at cjfm.org/ericc.

Or please include a small note or letter that the donation is prefereced for Eric Chabot and mail it to:
